An applicant for a nonresident surplus lines insurance producer license must hold an active resident surplus lines insurance producer license in the applicant's home state and must complete and file with the commissioner an application for a nonresident surplus lines insurance producer license and pay the license fee.

#### **45-09-01-03. Surplus lines insurance producer must conduct search.**

The licensed surplus lines insurance producer seeking the placement of nonadmitted insurance must conduct a diligent search to ascertain whether the insurance, indemnity contract, or surety bond can be procured from a company authorized to do business in this state. The surplus lines insurance producer may rely on a diligent search done by a licensed insurance producer or the insured if the surplus lines insurance producer deems it sufficient. ~~After the placing of any surplus lines insurance, the surplus lines insurance producer must complete and file with the commissioner a surplus lines affidavit confirming such a search has been done no later than March first for the quarter ending the preceding December thirty first, June first for the quarter ending the preceding March thirty first, September first for the quarter ending the preceding June thirtieth, and December first for the quarter ending the preceding September thirtieth of each year. The affidavit is not required if the insured is an exempt commercial purchaser as defined in North Dakota Century Code section 26.1-44-02.~~

**General Authority:** NDCC 26.1-44-09

**Law Implemented:** NDCC 26.1-44-02

#### **45-09-01-04. Presumption - Diligent search.**

A presumption that a diligent search has been made and that the insurance producer was unable to procure the insurance, indemnity contract, or surety bond desired from a company authorized to do business in this state is created when the insurance, contract, or bond is written in one of the categories set out in Appendix I.

**History:** Effective January 1, 1982; amended effective December 1, 2001; January 1, 2008; July 1, 2012.

**General Authority:** NDCC 26.1-44-09

**Law Implemented:** NDCC 26.1-44-02

#### **45-09-01-05. Other acceptable lines of coverage.**

The categories designated in Appendix I are not to be considered as the only lines of coverage in which unauthorized insurers may be used. Other categories of coverage not listed may be acceptable because of special underwriting considerations, i.e., losses, high exposure, etc. Any exceptions must be fully explained on the surplus lines report of placement.

The securing of advantage as to lower premium rates or as to the terms of the insurance contract do not constitute justification nor are they special underwriting considerations sufficient to allow the surplus lines broker to use an unauthorized company nor lines of coverage other than those designated in Appendix I.
