Four (4) hours of Continuing Education Credits are available.**

When:

Session 1

April 16, 2024

Valley City Fire Station

241 3rd Ave NE

Valley City, ND

Session 2

April 17, 2024

ND Department of Water Resources

1200 Memorial Highway 2nd Floor BND Building

Bismarck, ND

9-1:30 pm CDT

WHAT YOU WILL LEARN

This course addresses basic flood insurance issues as well as some more advanced components. At the conclusion of the session, attendees with little or no prior NFIP experience will understand how to build a flood insurance policy from the ground up. More experienced attendees will develop an even better understanding of:

- The new rating methodology
- Policy coverage
- Claims process
- Mapping and Community eligibility
- Mandatory Purchase Requirements

With the new rating methodology, quotes are easier, and many policyholders may see a decrease in cost or about the same in premium. Come learn all about the changes, they are dramatic, so if you haven't received training in a while, now is the time!

HOW TO REGISTER:

Email: Erin May at erin.may@associates.fema.dhs.gov with which session you want to attend. The sessions are the same.

Please bring your NPN number and your Agent License number to the meeting you wish to attend.
